

# BURTON SALMON CP SCHOOL

## Cycling to School Contract

By signing this contract parents/ carers understand that:

- **You are granting permission for your child to cycle to school**
- Your child will wear an appropriate helmet while cycling
- Your child's bicycle will stay in good repair and will be safe to ride
- Your child will take every effort to protect their bicycle by bringing a suitable lock to secure their bicycle at school – racks are available behind the dining hall
- You will have taken every effort to advise your child on road safety before they cycle to school

By signing this contract pupils understand that:

- You should ride to school in a safe manner, being aware of other road users and pedestrians
- You will always transport your bike around school by walking it carefully
- You will always be considerate of the safety of yourself and all other children within the school grounds
- You will always wear a helmet when cycling your bike to and from school
- You will safely lock your bike up in the bike racks
- You will look after your bike and make sure it is safe to ride
- You will never ride or touch another child's bike while at school
- You will always be considerate of the safety of pedestrians (children and their parents/carers) who are coming to and from school

By signing this the school understands that:

- We will take every effort to protect and ensure the safety of your child's bicycle while on school grounds through the installation of our bicycle racks. However bikes are left at the owners risk
- The Headteacher will meet with children who wish to ride to school to discuss the terms of this contract
