12 September 2017

Dear Parents/Carers,

## **Class 1 Stockbridge Visit 22 September 2017**

On Friday 22 September, Years 1 & 2 will be returning to Stockbridge Technology Centre for their final visit as part of our Science, Art and Healthy Eating studies on reconnecting children with food production. We will leave school just after morning registration and will return to school in time for lunch.

We will be travelling by coach with seatbelts. Pupils will need to wear trousers that you don't mind getting dirty – we will be digging and planting outside – and their school uniform tops. Children will also need waterproofs/sunhats and wellingtons or strong shoes. Please inform school of any specific special needs.

When organising school visits to enrich the curriculum and the education experience of the children, the school invites parents to contribute to the cost. **On this occasion, we are delighted to confirm that Friends of Burton Salmon School have agreed to sponsor the cost of this visit in full.**

**As the pupils have already visited Stockbridge Farm previously then separate consent for this visit is not required. If you DO NOT wish your child to attend this visit, please contact school.**

If you have any questions, please do not hesitate to contact us.

Kind regards,
