22 June 2018

Dear Parents and Carers,

We must start this week's email with a massive thank you to everyone that organised, staffed and attended our wonderful summer fair this week!

We must say a particularly big 'thank you!' to;

Mrs Mulherin, for not only co-ordinating the whole event but also for the many, many hours she has dedicated to FOBSS and fundraising in general throughout her time here with us.

All of the FOBSS volunteers for the invaluable help on the evening.

The Makin family, for their generous support with the delicious catering provided throughout the event.

Everyone that made kind donations of buns, toys, books and gifts to help fill the stalls.

Mrs Cummings and Cranswick Gourmet Bacon for their wonderful raffle prize.

It really was a fantastic evening and the income it generates is essential in helping us provide all of the 'extra treats' and trip subsidies that we benefit from throughout the year. FOBSS are always in need of extra volunteers and the few hours you might be able to spare really do all count. Pop into the office to let us know how you can help.

Besides the Summer Fair we have all been keeping incredibly busy this week in school –

On Tuesday we were lucky enough to host our third 'faith visitor' of the year, Mr Singh from the Sikh Education Council. The children had a wonderful time learning all about one of the world's largest religions and the thoughtful questions asked and the interest shown was a real delight to see.

Then on Wednesday many of pupils took a trip across to Holy Family High School for a morning of sporting activity and competitive games. All of the children exhibited fantastic team spirit and really did our school proud!

Back in the classroom;

Class 1 News

Another busy week in class 1 with a lovely purposeful atmosphere in Class. Reception children have shared the story, "How to Hide a Lion" and came up with some fantastic ideas such as under the sink or hanging from the ceiling! Year 1 children have labelled plants and focused on phonics. In numeracy they have looked at fractions and finding half of a shape or quantity. Year 2 children have thought about fair testing and set up an investigation to see how green plants grow best. Over the final few weeks we are having a strong focus on phonics, reading and handwriting for the whole class. Many children do read at home but could you please try read three times a week and we will make sure books are changed at School.

Thank you.

Mrs Newton.

Class 2 News

Class 2 have had a great, but hectic week !They have made goods for the Summer Fair, manned stalls, represented the school in a sport festival and still managed to do lessons in school!

Year 5 have worked well on assessment papers and Year 6 have been enjoying their final week in school altogether. They are all looking forward to East Barnby next week.

Years 3 and 4 showed great resilience at the beginning of the week whilst taking several tests in Maths and Literacy. As a reward, at the end of the week they solved the mystery of who stole the World Cup using their Maths skills!

Thank you.

Mrs Torode and Mrs Copley

Golden Book

Special mention this week goes to –

Ruby Edwards – for fantastic reading. Well done, Ruby!

William Welbourne – for being helpful and thoughtful towards others, well done, William!

Emily Kennedy – a great attitude to her learning all week. Keep it up Emily!

Reuben Holden-Clough – for a really fantastic attitude all week. Well done, Reuben!

Housekeeping

The NYCC Local Authority has revised their pricing structure for school meals, meaning unfortunately we will see a rise in price from September. A hot lunch and pudding will now cost £2.65 a day, a price which still represents incredibly good value given both the quality and quantity of the meals Mrs Jones provides.

And speaking of school meals, we hope you have all seen the email sent home earlier this week about the new baguette option at lunchtimes which we are trialling for the rest of this term. From Monday, Mrs Jones will be offering a baguette option as well as a jacket potato option as an alternative to the main hot meal of the day. Pupils should pre-order these in the same way they pre-order the jacket potatoes.

Our whole school trip to the coast and to the fantastic Scarborough Fair Museum is also up on ParentPay. This is for all pupils so please log on to give permission and make payments as soon as possible.

Have a great weekend!
