19 January 2018

Dear Parents/Carers,

## **Able Maths Day, Thorpe Willoughby Primary School, 26.01.18**

Your child has been chosen to participate in an Able Maths Day which will take place on Friday, 26 January at Riccall Primary School. The pupils will have a rewarding day working with one of the UK's leading maths tutors, Pete Hall. Pete has a wealth of experience as a headteacher, CPD tutor, LA advisor and a specialist maths tutor running workshops for children in schools nationally and internationally. His workshops are full of exciting, age appropriate problem solving activities. Many of the activities will utilise ICT, all of the activities will be challenging but fun!

All pupils will need a packed lunch (**we have specifically been asked to ensure that it is nut free**), and should wear full, smart school uniform. They will be travelling by car with Mrs. Huntington and will leave school straight after morning registration and return in time for the end of the school day. There is no charge to parents for this event.

Please complete the permission slip below and return to school and let us know of any specific special needs.

Kind regards,

Mr A Blackwood  
Head Teacher
