

# BURTON SALMON COMMUNITY PRIMARY SCHOOL

*We aim to provide a rich, stimulating and enjoyable curriculum where children are encouraged to work both independently and together in a happy, secure and caring environment. We respect and value each other, show responsibility and celebrate our achievements*

19 January 2018

## Year 5 Primary Links Event at Sherburn High School 25.01.18

On 25 January, we are taking part in a Year 5 Forensic Science Primary Links Event to be held at Sherburn High School. The day will involve the opportunity to take part in science, geography and maths workshops with a central theme of forensics. All activities will be hands-on, practical and fun providing the students with a taste of secondary school education and beginning to foster an interest in science, technology and maths.

We will leave school early at **8:40am** promptly and return for 2.45pm. We will be travelling by coach with seatbelts. Miss Kiely will accompany the pupils for the day.

The children should wear full school uniform and they will also need a warm, waterproof coat, sensible shoes (some of the activities will take place outside), a drinks bottle and can bring a snack for break-time. Pupils will also need to bring a packed lunch.

At lunchtime there will be a DVD to watch for those who choose to stay indoors and a quiz to complete and hand in at the start of the afternoon workshop.

There is no charge for this visit. In order for your child to take part in this event, please sign and return the permission slip to school as soon as possible.

Kind regards,

A handwritten signature in blue ink, appearing to read 'A Blackwood'.

Mr A Blackwood  
Head Teacher
